## YOUNG MEN PROVE GOOD HUNSMEN ON 4-DAY TRIP

Warren Sapp, son of Mr. and Mrs. George H. Sapp, 1918 22nd street, and his friend, Bob Manning, of Long Beach, both proved good hunters last week. Sapp shot a three-point buck and Manning got a forked-horn deer while on a four-day trip in the Plute mountains north of Mojave. The local young man's buck weighed 200 pounds he reported.

## Ball Game Here Tomorrow Night

Although Ed Tansey announced two weeks ago that he had scheduled no more night ball games on the illuminated lot at Border and Carson, the Red Jacket manager said this week that his team will meet the Areadians in a third and deciding game here tomorrow, Friday, night at 8 o'clock. The Red Jacket and the Areadian team have divided the series to date.

A couple of other games are expected to be scheduled for presentation here after Friday night's encounter, Tansey said. The dates for these and the opponents for the Red Jacket have not yet been selected.

## DEVELOPS AIR ATTACK

Coch Earl Fields and his Tartar grid squad worked out a passing attack against the strong, heavy Manual Arts' team yesterday afternoon, and although M. A. scored five touchdowns to the Torrance one goal cross, the local team clicked on the aerial route with considerable success.

**WHAT GRAIN** saved the starving Egyptians? Original translations say, "Pharaoh gave them corn". But many authorities now believe it was actually wheat. For wheat has been found in the tombs of the Pharaohs.

And wheat is still the "staff of life" today. California mills alone use 10 million bushels yearly; produce two million barrels of flour.

Statewide in production and distribution, the grain industry uses Bank of America's unique facilities from ranch to retail store.

Funds advanced by this Bank assist growers to finance their yearly crops.

To milling companies, Bank of America extends seasonal credit, under prudent safeguards—as an aid to economical distribution.

Assisting to finance domestic and export shipments, the Bank makes collections; transfers funds to and from the markets of the world.

The cycle from ranch to retailer is completed by Bank of America's service to 600 baking companies and 4,000 grocers throughout the state. A nearby branch brings the same modern banking facilities almost to your door.

## Football Team Next Athletic Goal of Legion

This Bert S. Crossland Post of the American Legion has gone athletic—and with a vengeance. Not content to retire on their laurels—defeat—in night indoor baseball and hardball, the ex-service men today issued a call for football material and expect to organize a rattling-good grid team! Tommy Bowker declares the Legion will schedule games with the various battleship elevens at San Pedro and will take on all comers. If the turnout come up to expectations.

For that reason a call is made for all ex-football men to assemble at the baseball park, Border and Carson, Sunday morning at 10 o'clock. At that time the subject of organizing a team will be gone over and if conditions warrant, training will start.

Bowker claims there is plenty of "beef" around Torrance and that it should compose a real grid squad. He names the following as possible candidates on the Legion eleven: Tom Perkins, A. Zuver, Francis Buckman, T. Geetz, Dewey Fix, James H. Scott, Merriman, Ray Sleppy, Dan Bernard, Paul Vonderahe, Fred Harter, Clark, Pennington, Nick Gallucci, Bartlett, McManisters and Ted Dietters.

## High School Student Enters Fistic Career

Noel Temple, a member of the junior class of the Torrance High school, made his debut in the fistic ring Friday night at the Lawndale gymnasium and won a technical knockout over Young Johnston in the third of a scheduled four-round bout. Temple's good showing entitles him to box the main event tomorrow night against Joe Thomas at the same gym. The local boy weighs 122 pounds.

## EAGLE ROCK WINS

In a short-time football game with Eagle Rock High school's strong squad, Coach Earl Fields' Torrance Tartars took it on the nose, 18 to 6. The game was a practice scrimmage for the local eleven and demonstrated to Fields that the team can be groomed into a battle unit—that should win three games this season.

## CADETS DEFEAT SAINTS

Torrance Military Academy's Donkeys defeated the St. John's M. A.'s Saints, 12-6 in a hard-fought game here Wednesday afternoon. No games have been scheduled for next week, according to Coach Jerry Russom. On October 15, the local cadets will play Southern California M. A. of Long Beach on the field at 22nd and Border.

## LOMITA GAME SUNDAY

LOMITA—Townsend's Lomita Merchants will play Artesia next Sunday.

## Grid Gallops

Here, there and elsewhere this week-end

IT WON'T BE long now—Marine League football gets under way with regular games a week from tomorrow, October 9. The Torrance Tartars go down to Lomita and there engage the Narbonne Gauchos in what is deemed to be a battle.

Coach Earl Fields tells us he expects to win three games this season and points to El Segundo, South Gate and Leuzinger as the victims. The coach opines that Narbonne, Banning and Gardena may—and he actually says "may"—bowl over his Tartars.

## HAVE YOU MET "Army" yet?

He's the mascot to the Torrance Military Academy and on football days he's in his glory—his four small hooves (not hoofs, Webster says) glisten with silver paint and he adds a sonorous bray or two during the encounter that seems to pep up the cadets to better grid endeavors. "Army" is a diminutive burro.

IT WAS A TOUGH week-end for the budding grid prophets enlisted by Sideliner to dope out the games last Saturday—but even at that, the committee on college capers picked seven wins. True, the dopesters suffered two reversals and two ties—but that's okay by the Torrance tipsters. Tossing out the tie games, Sideliner's advance pickers, batted .778 last week.

## NOW THEY BRING forth prognostications on what's going to happen on the best gridirons next Saturday. Just to show you in what accord the mental marvels work—the seven seers were unanimous in their choice of all but six of the 18 games selected for their predictions.

Sideliner's score-finding commission tells it this way:

U. S. C. to take Oregon State (Hank Ulbright was the only bird to take Oregon State.)

St. Mary's to do a repeat against California. (Two dissenting dopesters to this.)

Stanford-Lopple-Santa Clara's hopes to become the second St. Mary's on the coast.

Oregon will shellac Idaho. Washington State over U. C. L. A.

Washington to give Montana the Bruins annual washing.

Illinois to defeat St. Louis.

Notre Dame to start chucking the nation's best in the loss column with Indiana leading the losers.

Pittsburgh dusts off Iowa. (Two of the prophets take Iowa.)

Minnesota to give Oklahoma's Aggies a Swedish massage. (Debated by Art Flinn.)

Northwestern heading Nebraska. (Sneered at by one picker.)

Ohio State scores over Cincinnati.

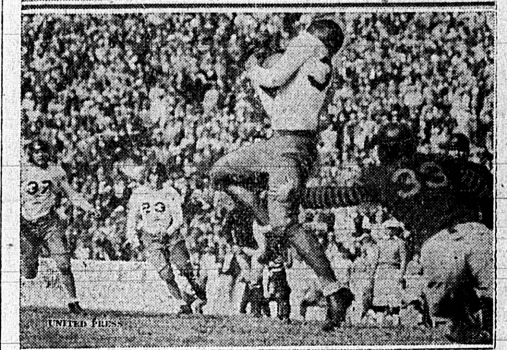

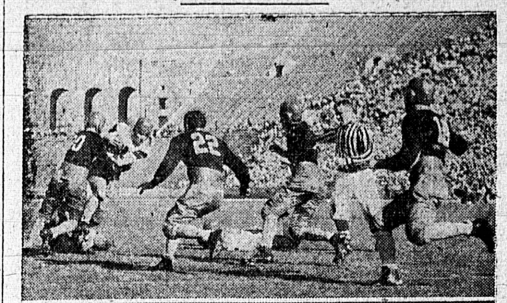

Carnegie Tech to sink the presidents, Washington and Jefferson.

Dartmouth smacking Norwich. Brown to flood Rhode Island. Alabama will dry up ole man Mississippi. (Mammy!)

Georgia Tech to engineer South Carolina out of a win.

And Texas to star over Missouri. (Two dopesters saying "not so.")

## GAELS UPSET JONES' TROJANS

Top, Mohler, U. S. C. quarterback, in an unsuccessful try at carrying the ball through the strong St. Mary's line at Los Angeles Saturday in the second period. Score: well—who doesn't know it—13 to 7, St. Mary's. Lower picture shows Frets, Santa Clara substitute, intercepting pass from Schaldrach, California, in the first period of the California-Santa Clara game at Berkeley. The Golden Bears, playing their first game under Navy Bill Ingram, came out on the long—but not too long—end of a 6-2 score.

CRIME WAVE

BAKERSFIELD. (U.P.)—A soda-pop drinking burglar was hounded by police when a local clubroom was entered and six bottles of pop were taken.

## Local Hunters Shoot Largest Buck This Year

Claiming their kill as the largest buck yet to come out of the hills this season to grace several dinner tables, A. S. Graham, local dry cleaner and tailor, and Wilson Woodburn, of Woodburn's Grocery, jointly bagged a 265-pound, four-point buck at Quail Lake, beyond Sandburg's, early Sunday morning.

According to "Ace" Graham, the job of bringing out their buck was almost too much for the hunters. It took three men to carry the kill down to where Graham and Woodburn had their car parked, the two men, incidentally, becoming totally exhausted by their labors. They were revived with some difficulty, it was reported, but finally managed, by disjoining the buck, to bring the meat home.

## CADETS WIN

Exhibiting considerable power and deception despite their young years, the 1931 Torrance Military Academy football team turned in an impressive victory last Friday afternoon when they defeated the Golden West M. A., 12-6, in the season's first game. Cadets Thaten and Hurt, both in the 11th grade, made the Donkeys' touchdowns.
